

It's easy! Just follow the simple steps below:

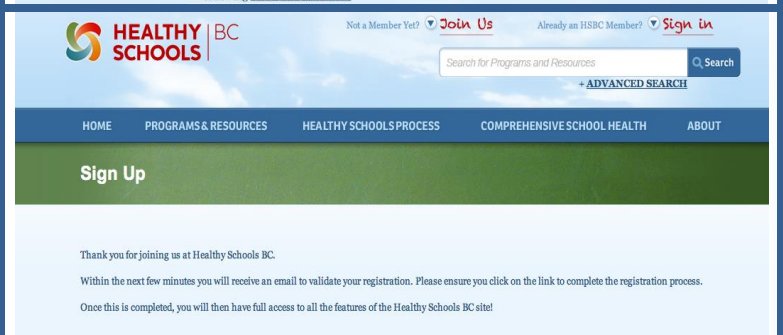

1. Click on the Join Us button at top of the home page

2. Tell us a bit about yourself (name, role, occupation, email address and password) and read and review the Terms and Conditions. You also have the option to subscribe to the Healthy Schools BC Newsletter. Click Join.

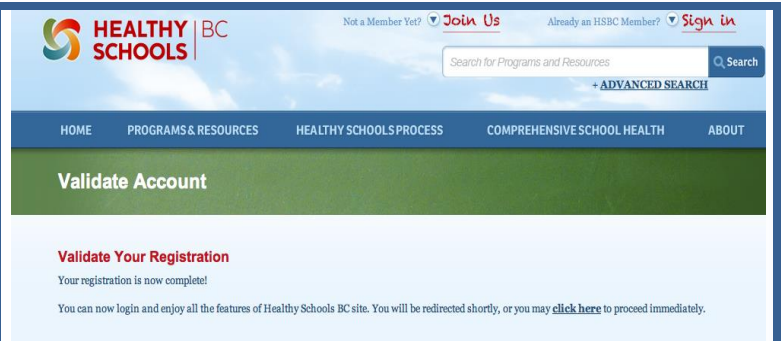

3. Once you click Join, you will be sent an email that includes a link to validate your account.

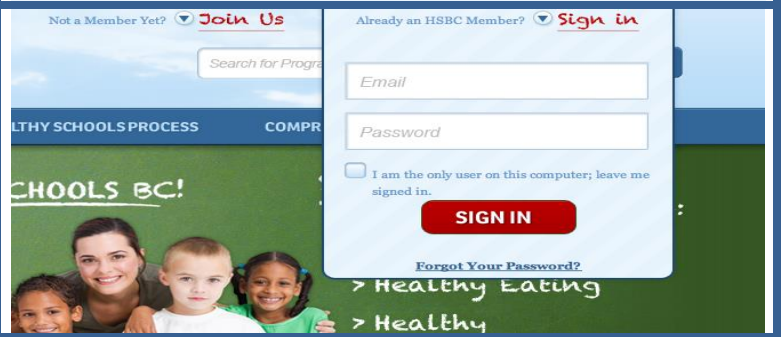

4. Log in to your email account and click on the link provided to validate your Healthy Schools BC account. If you don't receive an email from [info@healthyschoolsbc.ca](mailto:info@healthyschoolsbc.ca), please add this email address to your address book and then request a new validation email here: [www.healthyschoolsbc.ca/contact-us.aspx](http://www.healthyschoolsbc.ca/contact-us.aspx)

5. Once you validate your account, you will then see this message and be redirected to the home page on the Healthy Schools BC website.

6. Click on the Sign In button at the top of the page. Enter your email address and password.

Once you are signed in, you will come to the home page for logged in users. This page looks different than the home page for general users. This page displays the ways you may want to use the site and links you to different areas of the HSP.

You're done! You are now able to use all the features of the site. If you have any questions or comments about the HSP, please email us at [info@healthyschoolsbc.ca](mailto:info@healthyschoolsbc.ca).
